

THE
AVRIL LAVIGNE
FOUNDATION

21 October 2012

Dear Hackathon Team,

We just wanted to drop a note to thank all of you in advance for participating in this event. The app you build will help us achieve our mission to provide **Respect, Opportunity, Choices, Knowledge, and Strength** support of children and youth living with serious illnesses or disabilities.

Another important goal for us is to find creative ways for Avril's fans to learn about the obstacles and challenges children and youth with disabilities face, and in turn inspired to find ways to creatively give back (either by donating, volunteering, or sharing our mission with their friends) on their own.

We (including Avril) are so grateful that you will use your skills to help us continue to achieve our mission!

Happy Hacking!

Sincerely,

The Avril Lavigne Foundation Team

P.S.: We hope you like the Abbey Dawn "WTH" t-shirts! They are a little unconventional, but we hope they help you come up with some out of the box ideas...
